Primary Dealer Statistics

This data tool is designed to offer you transparency and control of the available Primary Dealer time series data. Data are updated on Thursdays at approximately 4:15 p.m. with the previous week’s statistics. Data from January 28, 1998 to present are available and split into five time periods due to changes in data structure. There are two options for viewing the selected data: table and export formats for automated consumption.

Data available from 1/5/2022 and on. This time period includes positions, transactions, financing, fails, specific issues, and MBS settlement fails and transactions.

Please use the Time Series Menu to select a value
