Section 2.3 Administrative Discretion

The Administrative Agent may determine, in its sole discretion, whether a Proposed Guaranteed Instrument satisfies the requirements of paragraphs (h), (i) or (n) of Section 2.2(1) above.

ARTICLE 3 – PARTICIPATION LIMIT

Section 3.1 Application of Participation Limit

The aggregate Guaranteed Amount of all Guaranteed Instruments Outstanding at any time, adjusted if necessary in accordance with Section 4.2, may not exceed the Participation Limit at such time determined in accordance with this Article 3.

Section 3.2 Requested Participation Limit

The parties acknowledge that in its Participation Application, the Issuer requested that the Guarantor guarantee Eligible Instruments under the Guarantee in a maximum Aggregate Face Amount outstanding from time to time of Cdn\$«Requested_Participation_Limit» (the “**Requested Participation Limit**”) and the Issuer has certified in such Participation Application that the Requested Participation Limit does not exceed the Maximum Participation Limit for the Issuer.

Section 3.3 Auditor’s Report Verifying Participation Limit

No later than thirty (30) days after the date of the Participation Application, the Issuer shall submit to the Minister a review engagement report substantially in the form of Schedule 3.3 or such other form as may be approved by the Minister signed by the Issuer’s external auditor (the “**Auditor**”) stating that the Auditor has reviewed the Issuer’s calculation of the Maximum Participation Limit in the Participation Application and that based on this review, nothing has come to the Auditor’s attention that causes the Auditor to believe that the Issuer has not calculated the Maximum Participation Limit, based the maturing wholesale debt calculation or the Canadian deposits calculation, as applicable, in accordance with the calculations required in the Maximum Participation Limit Worksheet (the “**Auditor’s Report**”).

Section 3.4 Determination of Participation Limit

- (1) Until the Auditor’s Report has been received by the Minister, the “**Participation Limit**” of the Issuer will be an amount up to 50% of the Requested Participation Limit, as notified to the Issuer by the Minister at the time the Participation Application was approved.
- (2) Upon receipt by the Minister of the Auditor’s Report:
 - (a) if the letter confirms that the Requested Participation Limit does not exceed the Maximum Participation Limit for the Issuer as calculated by the Auditor, then the “**Participation Limit**” will be the Requested Participation Limit; or
 - (b) if the Auditor’s Report states that the Requested Participation Limit exceeds the Maximum Participation Limit as calculated by the Auditor, then the “**Participation Limit**” will be the Maximum Participation Limit as so calculated.
- (3) If the Auditor’s Report has not been received by the Minister within thirty (30) days after the date of the Participation Application, then, unless the Minister consents in writing to an extension, this Agreement will terminate, but without prejudice to any Guarantee Certificates that have been issued during the thirty (30) day period.

Section 3.5 Adjustment to Participation Limit

- (1) In the event that:

- (a) the calculation of the Maximum Participation Limit of the Issuer was originally based on audited financial information relating to a fiscal quarter of the Issuer that ended prior to October 31, 2008;
- (b) more recent audited financial information relating to a fiscal quarter of the Issuer ended no later than October 31, 2008 subsequently becomes available to the Issuer at any time before the Termination Date; and
- (c) the use of such more recent information would yield a Maximum Participation Limit higher than the Participation Limit of the Issuer determined in accordance with Section 3.4 (the “**Original Participation Limit**”);

then the Issuer may, but is not required to, request to have the Original Participation Limit adjusted to reflect the more recent information by submitting an amended Participation Application to the Minister based on such more recent information, and Sections 3.1, 3.2 and 3.3 shall apply to such amended Participation Application, *mutatis mutandis*.

(2) Until a new Auditor’s Report verifying the determination of the Maximum Participation Limit is received by the Minister, the Original Participation Limit shall continue to apply. After the new Auditor’s Report is received by the Minister, the Participation Limit as confirmed by the Auditor shall thereafter be the Participation Limit, whether higher or lower than the Original Participation Limit.

ARTICLE 4 – GUARANTEE CERTIFICATES

Section 4.1 Application for Guarantee Certificates

- (1) Provided that no Termination Event has occurred and is then continuing, prior to the Termination Date the Issuer may make application to the Administrative Agent (each, a “**Guarantee Certificate Application**”) in accordance with the procedures set out in this Article 4 for Guarantee Certificates confirming that the Eligible Instrument specified in such Guarantee Certificate Application is a Guaranteed Instrument.
- (2) All Guarantee Certificate Applications must be made using the Application for Guarantee Certificate Application Form 2464-11-08, provided on the Bank of Canada website and attached hereto as Schedule 4.1(2) and must be submitted to the Administrative Agent on a Business Day in accordance with the instructions set out on such Form 2464-11-08. Guarantee Certificate Applications not in this form or not accompanied by all the supporting materials set out in Section 4.3(2) may be rejected in the discretion of the Administrative Agent.
- (3) A request for a Guarantee Certificate in a Guarantee Certificate Application shall be rejected if either:
 - (a) the instrument in respect of which a Guarantee Certificate is being applied for (the “**Proposed Guaranteed Instrument**”) is not an Eligible Instrument; or

- (b) the Aggregate Face Amount of the Proposed Guaranteed Instrument (adjusted if necessary in accordance with Section 4.2) is greater than the amount by which the Participation Limit exceeds the aggregate Guaranteed Amounts of all Guaranteed Instruments (adjusted if necessary in accordance with Section 4.2) Outstanding on the date of the Guarantee Certificate Application.
- (4) No more than one Guarantee Certificate may be requested in each Guarantee Certificate Application and no more than three Guarantee Certificate Applications may be submitted per Business Day.
- (5) Upon payment in full of the Guaranteed Obligations under a Guaranteed Instrument, whether at maturity or otherwise, the related Guarantee Certificate will be cancelled. If the Issuer wishes to issue another tranche of the same Eligible Instrument in respect of which a Guarantee Certificate was previously issued, even if identified by the same ISIN, a new Guarantee Certificate Application must be submitted in respect of such new tranche.

Section 4.2 Foreign Currency Adjustment

The parties acknowledge that the Participation Limit is expressed in Canadian Dollars. For the purposes of determining whether the Participation Limit would be exceeded by the issuance of a Guarantee Certificate requested under a Guarantee Certificate Application, the value of the Guaranteed Amount of any Guaranteed Instrument denominated in a currency other than Canadian Dollars or of the Face Amount of a Proposed Guaranteed Instrument denominated in a currency other than Canadian Dollars shall be deemed to be the product of the Canadian Dollar Equivalent Amount of such Guaranteed Amount or Face Amount (determined as of the Business Day immediately preceding the date of the Guarantee Certificate Application) multiplied by 125%.

Section 4.3 Conditions Precedent and Supporting Materials

- (1) It is a condition precedent to the issuance of any Guarantee Certificate that the Minister shall have received on, or before the date of the first Guarantee Certificate Application made hereunder:
- (a) a favourable legal opinion in form and substance satisfactory to the Minister from the Issuer's external legal counsel stating that this Agreement and the Indemnity Agreement are legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject only to customary qualifications and assumptions; and
 - (b) an executed Indemnity Agreement.
- (2) Each Guarantee Certificate Application must be accompanied by the following supporting materials:
- (a) a copy of any prospectus, information statement, information memorandum or other disclosure document describing the Proposed Guaranteed Instrument;

- (b) a copy of a specimen of the certificate evidencing the Proposed Guaranteed Instrument;
- (c) a certificate of the treasurer or chief financial officer of the Issuer stating that the Proposed Guaranteed Instrument is an Eligible Instrument and that after the Guarantee Certificate is issued, the aggregate Guaranteed Amount of the Issuer will not exceed the Participation Limit substantially in the form attached as Schedule 4.3(2)(c); and
- (d) a favourable legal opinion in form and substance satisfactory to the Administrative Agent from the Issuer's external legal counsel stating that the Proposed Guaranteed Instrument will, when issued, be a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, subject to customary qualifications and assumptions; and if the Proposed Guaranteed Instrument is issued under a program, the legal opinion may take the form of the most recent legal opinion delivered to the underwriters, indenture trustee or rating agency in connection with a previous issue together with a letter from counsel stating that the Administrative Agent is entitled to rely on such opinion; and
- (e) if the Guarantee Application is in respect of a Proposed Guaranteed Instrument that the Issuer intends to issue for sale or other distribution in one or more jurisdictions outside Canada, such other legal opinions as may be required in connection with such sale or distribution in accordance with applicable securities law or commercial custom and practice in the relevant capital market.

Section 4.4 Issuance and Expiry of Guarantee Certificates

(1) Subject to Section 4.4(2), the Administrative Agent will use its reasonable efforts to review and process Guarantee Applications received on a Business Day by 10:00 a.m., Ottawa time, by the close of business on the next Business Day and to review and process Guarantee Applications received on a Business Day after 10:00 a.m., Ottawa time, by the close of business on the Business Day following the next Business Day. However, the Guarantor, the Minister or the Administrative Agent shall incur no liability for a failure to process a Guarantee Certificate Application within this time frame.

(2) If a Guarantee Application is in respect of a Proposed Guaranteed Instrument that the Issuer intends to issue for sale or other distribution in one or more jurisdictions outside Canada, the Issuer shall disclose such intention in the letter accompanying the Guarantee Certificate Application and identify the relevant foreign jurisdictions. The Administrative Agent will use its reasonable efforts to review and process such Guarantee Applications within a reasonable time, having regard to such additional requirements as may be imposed by the securities or other law of the proposed foreign jurisdictions and provided that the Issuer uses commercially reasonable efforts to provide to the Administrative Agent or foreign governmental authorities such documentation and information as may be required to comply with applicable local securities or other law in respect of the Guarantee or the Guaranteed Instrument. In any event, the Guarantor, the Minister or the Administrative Agent shall incur no liability for a failure to process such a Guarantee Certificate Application within any particular time frame.

- (3) If the Administrative Agent decides to reject a Guarantee Certificate Application, he will forthwith send notice of such decision to the Issuer, stating his reasons for the rejection. Any such decision shall be final and binding on the Issuer with no right of appeal.
- (4) Upon approval of a Guarantee Certificate Application by the Administrative Agent, the Administrative Agent shall execute and deliver the requested Guarantee Certificate to the Issuer, and upon such execution and delivery the Eligible Instrument referred to therein becomes a Guaranteed Instrument.
- (5) The Issuer shall give prior notice in writing to the Administrative Agent of the expected closing date of the issuance of the Guaranteed Instrument referenced in a Guarantee Certificate as soon as such date has been determined with reasonable certainty and of the actual closing date no later than one (1) Business Day thereafter.
- (6) On the Issue Date of a Guaranteed Instrument, the Issuer shall deliver to the Administrative Agent a certificate signed by an officer of the Issuer in the form attached as Schedule 4.4(6) (the “**Confirmation of Issuance**”) certifying that the terms and conditions of the Guaranteed Instrument so issued are the same in all material respects as those of the Proposed Guaranteed Instrument in respect of which the Guarantee Certificate was issued and confirming the ISIN, issue amount, maturity date and other particulars set out in the Confirmation of Issuance.
- (7) On and after the Issue Date of a Guaranteed Instrument, the Issuer shall make copies of the related Guarantee Certificate available in electronic form on its website at no charge and, on request, in physical form by mail, for which it may charge a nominal handling fee. On the same page of the Issuer’s website that displays the link to the Guarantee Certificate, the Issuer shall also provide a link to an executed copy of the Guarantee.
- (8) If the Guaranteed Instrument referenced in a Guarantee Certificate has not been issued within thirty (30) days of the date of the Guarantee Certificate, the Guarantee Certificate will be revoked and of no further force or effect on the expiry of such thirty (30) day period unless the Administrative Agent has agreed in writing to an extension upon application of the Issuer to the Administrative Agent in writing at least five (5) Business Days prior to such expiry.
- (9) If the Guarantee Certificate has been issued in respect of a Guaranteed Instrument sold or distributed or offered for sale or distribution in one or more jurisdictions outside Canada, the Issuer shall take all such actions as may be necessary or desirable to comply with applicable securities law in each such jurisdiction in connection with such sale, distribution or offer distribution, including in relation to the Guarantee and Guarantee Certificate to the extent within the control of the Issuer.

Section 4.5 Amendments to Guaranteed Instrument

The Issuer acknowledges that section 2.3 of the Guarantee provides that the Guarantor shall not be liable under Section 2.1 thereunder in respect of any Guaranteed Instrument that has been varied, amended, waived, released, novated, supplemented, extended or restated in any respect (each, a “**Change**”) without notice to and the prior written consent of the Guarantor.

Accordingly, if the Issuer wishes to Change the terms of any Guaranteed Instrument (whether before or after issuance), it shall not do so without first having given notice of the proposed Change to the Guarantor and obtaining the Guarantor's prior written consent to such Change.

ARTICLE 5 – GUARANTEE FEE

Section 5.1 Payment of Guarantee Fee

(1) In consideration of the Guarantor providing a Guarantee Certificate in respect of the Guaranteed Instrument specified therein, the Issuer shall pay the Guarantor a non-refundable lump-sum fee (the “**Guarantee Fee**”) in the amount and at the time set out in this Article 5 in respect of such Guaranteed Instrument.

(2) The Guarantee Fee shall be due and payable to the Guarantor in accordance with the payment instructions set out in the invoice, using the Large Value Transfer System, within five (5) Business Days of receipt of an invoice therefor from the Administrative Agent.

Section 5.2 Calculation of Guarantee Fee Amount

(1) The Guarantee Fee payable in respect of each Guaranteed Instrument will be an amount equal to the product of the following:

- (a) the lesser of three (3) and the quotient (expressed as a decimal) obtained by dividing the actual number of days of the term to maturity of the Guaranteed Instrument by 365;
- (b) the aggregate gross proceeds of the offering of the Guaranteed Instrument as issued payable to the Issuer; and
- (c) a base rate of 1.10%, plus the sum of:
 - (i) a surcharge of:
 - (A) 0.25%, if the Issuer has at that time the Required Rating from at least two Approved Rating Agencies; or
 - (B) 0.50%; if the Issuer does not have at that time the Required Rating from at least two Approved Rating Agencies;

plus
 - (ii) 0.20%, if the Guaranteed Instrument is denominated in a currency other than Canadian Dollars, or 0%, if the Guaranteed Instrument is denominated in Canadian Dollars.

(2) To determine whether the Issuer has the Required Rating for the purposes of Section 5.2(1)(c), the lower of the two highest ratings of the Approved Rating Agencies will be used. All ratings must be on a stand-alone basis with no assumption that the Guarantor or any

other Person (including the holding body corporate of the Issuer) will provide credit support for the Issuer.

(3) The Guarantee Fee in respect of a Guaranteed Instrument denominated in a currency other than Canadian Dollars shall be payable in Canadian Dollars in an amount equal to the Canadian Dollar Equivalent Amount of the Guarantee Fee as of the Issue Date of the Guaranteed Instrument.

ARTICLE 6 – INDEMNIFICATION OF GUARANTOR

Section 6.1 Indemnity Agreement

Section 2.1 Guarantee

Subject to Section 2.3 and Section 3.5 below, the Guarantor hereby irrevocably and unconditionally:

- (a) guarantees to each Beneficiary payment by each applicable Issuer of the Guaranteed Obligations owed to such Beneficiary under the related Guaranteed Instrument; and
- (b) undertakes in favour of each Beneficiary that, whenever the applicable Issuer does not pay any Guaranteed Obligation on the date on which it becomes due and payable under the terms of the Guaranteed Instrument (the “**Due Date**”), the Guarantor shall, upon a Demand by the Beneficiary made in accordance with Section 3.1, pay that Guaranteed Obligation in accordance with this Guarantee.

Section 2.2 Obligations Not Affected

Subject to Section 2.3, the obligations of the Guarantor hereunder shall not be affected or impaired by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder which, but for this provision, might constitute a whole or partial defence to a claim against the Guarantor hereunder or might operate to release or otherwise exonerate the Guarantor from any of its obligations hereunder or otherwise affect such obligations, and the Guarantor hereby irrevocably waives any defence it may now or hereafter have in any way relating to the foregoing.

Section 2.3 Amendments

The Guarantor shall not be liable under Section 2.1 in respect of any Guaranteed Instrument that has been varied, amended, waived, released, novated, supplemented, extended or restated in any respect without notice to and the prior written consent of the Guarantor.

Section 2.4 Term and Expiry

This Guarantee takes effect with respect to each Guaranteed Instrument on the Issue Date of the Guaranteed Instrument and will expire at 11:59 p.m., Ottawa time, on the third anniversary of the Issue Date (the “**Expiry Date**”), as set out in the applicable Guarantee Certificate, regardless of whether the term of the Guaranteed Instrument extends beyond the Expiry Date. However, such expiry will not affect the obligations of the Guarantor hereunder in respect of any amounts of principal or interest that became due and payable on or prior to the Expiry Date.

ARTICLE 3 – DEMAND AND PAYMENT

Section 3.1 Demand

- (1) Any demand for payment by a Beneficiary under this Guarantee (a “**Demand**”) must be made by notice in writing in the form attached as Schedule 3.1(1) and delivered to the addressee specified therein.
- (2) If any Beneficiaries are represented collectively by any Person authorized by the terms of a trust indenture, trust deed, note indenture, custodial agreement or similar document to act on behalf of such Beneficiaries in connection with the enforcement of obligations under the related Guaranteed Instrument in the capacity of indenture trustee, collateral agent, paying agent, holder of a power of attorney, *fondé de pouvoir* or similar capacity (each, a “**Representative**”), any Demand hereunder must be made by such Representative and shall not be made by any such Beneficiaries individually.

 - (a) the amount claimed is due to the Beneficiary and remains unpaid despite the Beneficiary having served a demand for payment on the applicable Issuer;
 - (b) the Due Date of the Guaranteed Obligation in respect of which the Demand is given falls on or before the applicable Expiry Date;
 - (c) it is in the form of Schedule 3.1(1); and
 - (d) it is otherwise made in accordance with this Section 3.1.

Section 3.2 Currency of Payment

Each payment to be made by the Guarantor hereunder in respect of a Guaranteed Obligation shall be payable in the currency or currencies in which such Guaranteed Obligation is denominated.

Section 3.3 Withholdings

All amounts payable by the Guarantor under this Guarantee shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Guarantor is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Guarantor shall pay to the Beneficiary such additional amount as is necessary to enable the Beneficiary to receive a net amount equal to the full amount payable hereunder..

Section 3.4 Subrogation and Indemnity

- (1) The Guarantor shall be subrogated to all of the rights of the Beneficiary against the applicable Issuer in respect of any amount paid by the Guarantor pursuant to this Guarantee; provided, however, that the Guarantor shall not be entitled to enforce or to receive any payments

arising out of or based upon such rights of subrogation until all related Guaranteed Obligations have been paid in full.

(2) Any claim that the Guarantor may have against an Issuer by way of subrogation or indemnity in connection with this Guarantee shall not, by virtue of such right of subrogation or indemnity, create a first charge on the assets of the Issuer for the purposes of paragraph 369(1)(a) of the *Bank Act* (Canada), paragraph 374(1)(a) of the *Trust and Loan Companies Act* or paragraph 353(1)(a) of the *Cooperative Credit Associations Act* (Canada), if applicable, or any successors thereto.

Section 3.5 Alternative Purchase Commitment

(1) It is acknowledged that pursuant to sections 26 and 29(1) of the Financial Administration Act (Canada), no payments may be made by the Guarantor out of the Consolidated Revenue Fund in satisfaction of its obligations under Section 2.1 hereof without the authority of an act of Parliament (an “**Appropriation Act**”). Accordingly, if a Demand is delivered to the Guarantor by a Beneficiary at a time when an Appropriation Act is not in force, then the Guarantor shall satisfy its obligations under Section 2.1 hereof by purchasing from the Beneficiary (a “**Purchase**”) all or an undivided interest in the related Guaranteed Instrument (the “**Purchased Interest**”), determined in accordance with subsection (2) below, for a purchase price (the “**Purchase Price**”) equal to the amount required to be paid under the Demand, in accordance with this Section 3.5. Receipt from the Guarantor by the Beneficiary of such Purchase Price shall be deemed to satisfy in full the obligations of the Guarantor under Section 2.1 as between the Beneficiary and the Guarantor in respect of the applicable Demand.

(2) The Purchased Interest acquired by the Guarantor upon a Purchase under this Section 3.5 will be a beneficial property interest in the related Guaranteed Instrument, the nature and extent of which will be determined as follows:

- (a) If the related Demand requires payment in full by the Guarantor of Guaranteed Obligations in an aggregate amount equal to all amounts of principal and Accrued Yield under the Guaranteed Instrument, which amounts have become due and payable under the Guaranteed Instrument on maturity or by acceleration after default, then the Purchased Interest acquired by the Guarantor upon payment of a Purchase Price equal to such aggregate amount will equal 100% of the related Beneficiary’s right, title and interest in and to the related Guaranteed Instrument. Accordingly, upon payment of such Purchase Price by the Guarantor in accordance with the related Demand, the Beneficiary shall be deemed to have sold and assigned to the Guarantor, without representation or warranty, and the Guarantor shall be deemed to have purchased as principal from the related Beneficiary, all of such Beneficiary’s right, title and interest in and to the related Guaranteed Instrument.
- (b) If the related Demand requires payment by the Guarantor of Guaranteed Obligations comprising one or more scheduled payments of interest and/or principal prior to maturity, then the Purchased Interest acquired by the Guarantor upon payment of a Purchase Price equal to such scheduled payments shall be the

right of the related Beneficiary to receive such scheduled payments from the Issuer and demand payment thereof. Accordingly, upon payment of such Purchase Price by the Guarantor in accordance with the related Demand, the Beneficiary shall be deemed to have sold and assigned to the Guarantor, without representation or warranty, and the Guarantor shall be deemed to have purchased as principal from the related Beneficiary, the Beneficiary's right to receive from the Issuer such scheduled payments under the related Guaranteed Instrument and to demand payment thereof. Notwithstanding such sale and assignment, the Beneficiary shall retain the right to accelerate the maturity of the Guaranteed Instrument by reason of the Issuer's failure to make the scheduled payments when the same were due and payable to the extent and in the manner provided in the Guaranteed Instrument.

(3) By delivering a Demand to the Guarantor at any time when an Appropriation Act is not in force, a Beneficiary shall be deemed to have required the Guarantor to Purchase the applicable Purchased Interest from the Beneficiary as provided in subsection (1) or (2) above, as the case may be. Concurrent with the delivery of such Demand, the Beneficiary shall tender the applicable Purchased Interest to the Guarantor or such depository or other Person as the Guarantor may direct in accordance with applicable market practice, the terms and conditions of the Guaranteed Instrument and the rules and procedures of any clearing agency or depository through which trades in the Guaranteed Instrument are settled, and as the Guarantor may otherwise direct.

(4) The Guarantor shall pay the related Purchase Price or cause the same to be paid to the applicable Beneficiary in the currency or currencies in which the related Guaranteed Obligations are denominated and at the same time and in the same manner as the amount required to be paid under the related Demand; and each such Demand shall be deemed to direct the Guarantor to pay the Purchase Price to the Person and/or account specified by the Beneficiary therein and otherwise in accordance with the instructions set out in the Demand as if the Claimed Amount, as defined in and specified in the Demand, were the applicable Purchase Price.

(5) It is acknowledged that as the beneficial owner of a Purchased Interest in a Guaranteed Instrument, the Guarantor shall not be treated as a Beneficiary hereunder to the extent of such Purchased Interest in that upon consummation of the related Purchase, the obligations of the Guarantor as guarantor hereunder shall merge with the rights of the Guarantor as Beneficiary hereunder and thereby be extinguished. However, all other provisions of this Guarantee shall apply to Purchases made under this Section 3.5, *mutatis mutandis*, including Section 3.4 hereof.

Schedule 1.1(23) – Form of Indemnity Agreement

CANADIAN LENDERS ASSURANCE FACILITY INDEMNITY AGREEMENT

This Indemnity Agreement is given as of [*date of Agreement*] by [*NAME OF ISSUER*] (the “**Issuer**”) in favour of **HER MAJESTY THE QUEEN IN RIGHT OF CANADA** (the “**Guarantor**”), as represented by the Minister of Finance.

RECITALS

- A. Under a Canadian Lenders Assurance Facility Participation Agreement (the “**Participation Agreement**”) made as of [*date of Agreement*], between the Issuer and the Guarantor, the Issuer is a participant in the Canadian Lenders Assurance Facility (the “**Facility**”).
- B. Under the Facility, the Issuer may from time to time request the Guarantor to guarantee specific instruments under a Guarantee (the “**Guarantee**”) given as of February 25, 2009 by the Guarantor in favour of each Beneficiary (as defined in the Guarantee) from time to time.
- C. It is a term and condition of the Participation Agreement that before submitting any Guarantee Certificate Application (as defined in the Participation Agreement), the Issuer shall execute and deliver to the Guarantor this Indemnity Agreement.

NOW THEREFORE, for good and valuable consideration, the Issuer hereby agrees with the Guarantor as follows:

ARTICLE 1 – INTERPRETATION

Section 1.1 Defined Term

Capitalized terms used herein and not otherwise defined have the meanings given to them in the Guarantee.

Section 1.2 Rules of Interpretation

In this Indemnity Agreement:

- (a) words importing the singular include the plural and vice versa and words importing gender include the masculine, feminine and neutral genders;
- (b) the terms “in writing” and “written” include printing, typewriting or any electronic means of communication capable of being visibly reproduced at the point of reception, including telexes, telegraphs, telecopies or electronic mail;
- (c) “including” means “including, without limitation,” and the various forms of the verb “include” have similar meanings; and

- (d) the division of this Indemnity Agreement into articles and sections and the insertion of headings are for reference only and are not to affect the construction or interpretation of this Indemnity Agreement.

ARTICLE 2 – INDEMNITY

Section 2.1 Indemnity and Reimbursement

The Issuer hereby agrees with the Guarantor:

- (a) to indemnify and save harmless the Guarantor from and against all claims, actions, proceedings, liabilities, losses, costs, expenses or damages against or incurred by the Guarantor arising out of or in connection with the Guarantee in relation to any Guaranteed Instrument issued by the Issuer; and
- (b) to reimburse the Guarantor in full for the amount of any payment or payments made by the Guarantor at any time or from time to time under and in accordance with the Guarantee in relation to any Guaranteed Instrument issued by the Issuer, such reimbursement to be made within five (5) Business Days of demand therefor by the Guarantor.

ARTICLE 3 – PAYMENTS AND DEMANDS

Section 3.1 Payments without Deduction

All amounts payable by the Issuer under this Indemnity Agreement shall be made free and clear of and without deduction for or on account of any set-off or counterclaim or any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Issuer is obliged to deduct or withhold an amount in respect of any such matter, then in such event the Issuer shall pay to the Guarantor such additional amount as is necessary to enable the Guarantor to receive a net amount equal to the full amount payable hereunder.

Section 3.2 Currency of Payments

- (1) All payments required to be made by the Issuer under this Indemnity Agreement shall be made in the currency in which the related payments or liabilities made or incurred by the Guarantor are denominated.
- (2) If under any applicable law and whether pursuant to a judgment against the Issuer or for any other reason, any payment under or in connection with this Indemnity Agreement is made or falls to be satisfied by the Issuer in a currency (the “Other Currency”) other than the currency in which the relevant payment is expressed to be payable (the “Required Currency”), then to the extent that the amount actually received by the Guarantor (when the amount of the payment in the Other Currency is converted by the Guarantor into the Required Currency) is less than the amount of the Required Currency payable under the terms of this Indemnity Agreement, then the Issuer shall, as a separate and independent obligation, indemnify and hold harmless the Guarantor for and against the amount of such shortfall.

Section 3.3 Interest on Amounts Payable

If any amounts payable hereunder by the Issuer to the Guarantor is not paid when due, the unpaid amount from time to time shall bear interest at a rate per annum equal to the then prevailing Bank Rate announced by the Bank of Canada. Such interest shall be payable and compounded monthly on the first day of each month.

Section 3.4 Set-Off by Guarantor

The Guarantor may set off any moneys payable by the Issuer under this Indemnity Agreement against any obligation of any kind owing or payable by the Guarantor to the Issuer, regardless of the place of payment or the currency of either obligation, and if the obligations are in different currencies, the Guarantor may convert either obligation into the currency of the other at a market rate of exchange selected by the Guarantor for that purpose.

Section 3.5 Demands, Documents and Payments under the Guarantee

- (1) Any demand made under the Guarantee for payment in connection with any Guaranteed Instrument issued by the Issuer shall, for all purposes related to this Indemnity Agreement, be deemed to be a valid and effective demand, and the Guarantor shall be entitled to treat it as such notwithstanding any lack of authority of the party making the demand if the demand appears on its face to be in order.
- (2) Provided that any certificate or document delivered to the Guarantor by or on behalf of a Beneficiary under the Guarantee appears on its face to be in accordance with the terms of the Guarantee, such certificate or document shall for all purposes relating to this Indemnity Agreement be deemed to be genuine and in accordance with the terms of the Guarantee.
- (3) Any payment made by the Guarantor pursuant to a demand for payment made under the Guarantee shall be conclusive evidence that the Guarantor was obligated to comply with such demand and to make such payment notwithstanding any dispute that may exist or arise between the Issuer and the Beneficiary as to the validity of the demand.

This Indemnity Agreement is governed by, and is to be construed and interpreted in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

Section 4.2 Jurisdiction

Each of the parties hereto irrevocably submits to the non-exclusive jurisdiction of the courts of the Province of Ontario.

Section 4.3 Severability

Dear Sirs/Mesdames:

Review Engagement Report - Canadian Lenders Assurance Facility

We have reviewed [*Name of Issuer*] (the “Issuer’s”) calculation of the Maximum Participation Limit as defined in the Canadian Lenders Assurance Facility Participation Agreement with Her Majesty the Queen in Right of Canada as Represented by the Minister of Finance dated _____, 200_, as set out in the Maximum Participation Limit Worksheet annexed to the Issuer’s Participation Application thereunder dated [*Date of Application*]. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of enquiry, analytical procedures and discussion related to information supplied to me by the Issuer.

A review does not constitute an audit and, consequently, we do not express an audit opinion on this matter.

Based on our review, nothing has come to our attention that causes us to believe that the Issuer has not calculated the Maximum Participation Limit, based on [the maturing wholesale debt calculation] [the Canadian deposits calculation], in accordance with the calculations required in the Maximum Participation Limit Worksheet referred to above.
