Situation is a mess -- AIG is open to having someone go over/call in tonight to start the process. Any chance you could call in at about 8 pm or so tonight?

I have an 11 AM call and one at 1 PM, but I can miss those if necessary.

Thanks

Hi Trish,

Tomorrow morning is fine for me. Afternoon is not as good but I could make time for a call.

Mike

followup with AIG

Jon and Mike,

Given how dire the situation with AIG is, Jim and I thought we should probably follow up to get more information on their risk profile, etc. sometime tomorrow. They will make available to us the appropriate people. Sorry to wreck your weekend, but what times would work for you?? (Jim and I have given up --- we know we are here for the duration.)

Thanks

Trish
