Fyi. Hsbc advised yesterday they were cutting our bank credit lines. Their decision is a function of both risk and reward (insufficient business). This call has no impact on counterparty trading lines. They are not a very significant lender.

Spoke to David. Their contacts at HSBC told the FX desk about yesterday's disclosure.

We had an unofficial call that HSBC has made a strategic decision and is cutting all Banking relationships with Bear. They said they are still maintaining trading lines.
