Re: Request for Market Valuation due 3pm NY time [D+2]

Date: [D]

Ladies and Gentlemen,

We would be grateful if you could provide Market Values (expressed as a percentage of Current Balance), in the following form, for each of the Reference Obligations attached in Exhibit A:

- (a) Actionable firm bid quotations; and
- (b) (i) Actionable firm offer quotations or alternatively,
 - (ii) Actionable firm bids for where you would purchase credit protection on the relevant Reference Obligation (a "Synthetic Bid"). If you are submitting a Synthetic Bid, please quote in points upfront (as a percentage of the Current Balance) assuming you are paying the running spreads listed in Exhibit A. Please note that CDS documentation will not be *pay-as-you-go* but instead will be substantially similar to standard corporate CDS

Reference Obligation information/documentation available upon request. Responses should be sent to both GS and AIG FP by replying to all parties included in the email you are receiving.

Thanks and Regards,

GS & AIG FP
