Subject: Re: now i am on a conf call

A series of LB calls. Concern that they will be announcing further losses next week and may not succeed in raising new equity. Liquidity position is not as bad as BS but still vulnerable to a loss of confidence. What are our options if, unlike BS, no buyer materializes?

I should be available between 11:30 and 11:45, maybe a bit earlier than 11:30.
