Secretary Paulson Holds Roundtable Discussion on State of US Economy

1/29/2007

2007-1-29-12-59-41-15069

Treasury Secretary Paulson held a roundtable with a group of economists this week at the Treasury Department to discuss the state of the U.S. economy. "What is very important to me, I know it's very important to the President, is we're starting to see this economic growth translating itself into real wage increases for the average worker," said Paulson.
