Presented at the Annual Meeting, January 29th, 1899

NEW HAVEN:
THE TUTLE, MOREHOUSE & TAYLOR PRESS
1899

Title page of the 1898 New Haven Hospital Annual Report, which lists the donors from 100 years ago. On the cover: Nurses in front of Grace Hospital.
The Board of Trustees of Yale-New Haven Hospital wishes to thank the many friends whose financial and other voluntary support has contributed immeasurably to another successful year. Listed herein are donors, Memorial Funds, and other Gift Funds which have contributed $100 or more to hospital programs from October 1, 1997 to September 30, 1998.

We have listed each contributor in gift categories based on the combination of cash gifts and pledge payments to all hospital programs, since it is our intention to recognize everyone's total philanthropic support during the year. We would also like to thank those friends who wish to remain anonymous and those who have provided gifts directly to many hospital departments and programs and therefore may not be listed. If we have inadvertently omitted your name or listed you incorrectly, please accept our apologies and let us know by calling (203) 785-2141.

Of special note are the many activities and financial support of the Yale-New Haven Hospital Auxiliary, which gave a total of $81,702. The hospital would also like to give special thanks to the Friends of the Children's Hospital and the Tommy Fund for Childhood Cancer at the Children's Hospital for their ongoing activities in support of our mission and our patients.

The 1826 Society
