Philanthropic support plays an increasingly pivotal role in Yale-New Haven Hospital's commitment to high quality clinical care. As hospitals nationwide balance the challenges of government reimbursement and managed care mandates against sicker patients, the growing number of elderly, and the special needs of the disadvantaged, Yale-New Haven continues to achieve clinical and operational successes. Friends who share the hospital's vision have helped maintain the margin of excellence that distinguishes Yale-New Haven Hospital as a national model. Thanks to your contributions, new technologies, modern facilities, clinical advances and programmatic support are available for patients and their families whether they live across the street or across the Atlantic.

**Philanthropy in 1999**

During 1999 Yale-New Haven Hospital received philanthropic support from over 4,400 donors, who provided $4,864,000 to advance the Hospital's mission. Approximately half of the amount donated came from individuals; corporate and foundation giving accounted for another 36 percent; with the remainder coming from estates and charitable trusts.

Apart from the Medical Equipment Fund, which is the primary beneficiary of funds raised by our Annual Appeal, donations were made during the year to some 40 special purpose funds that support a broad array of Hospital programs. These funds provide donors with the ability to match their individual interests with Hospital needs in areas as diverse as nursing education, child life programs, aid to disadvantaged patients, and a variety of programs focusing on specific diseases. Individuals interested in contributing to specific areas of the Hospital's activities through these funds or in creating their own named fund are encouraged to contact the Hospital's Development Office.

**Development Highlights**

After several years of conducting its development efforts through a staff jointly serving the Hospital and the Yale School of Medicine, Yale-New Haven Hospital, at the end of 1998, created a separate Development Office devoted exclusively to advancing the Hospital's fundraising needs. It is now staffed to provide development services in all areas of philanthropic support, including annual giving, individual major gifts, corporate and foundation giving and planned giving.

The Hospital has inaugurated the Dr. Jonathan Knight Society to honor individuals who have created planned gifts to benefit the Hospital, either through a life income or other trust arrangement, or by including the hospital in their estate and financial plans in other ways. Charter Members in the Society are currently being solicited, and their names will appear in the Hospital's next annual report.
The Board of Trustees of Yale-New Haven Hospital wishes to thank the many friends whose financial and other voluntary support has contributed immeasurably to another successful year. Listed herein are donors, Memorial Funds and other Gift Funds which have contributed $100 or more to hospital programs from October 1, 1998 to September 30, 1999.

We have listed each contributor in gift categories based on the combination of cash gifts and pledge payments to all hospital programs, since it is our intention to recognize everyone’s total philanthropic support during the year. We would also like to thank those friends who wish to remain anonymous and those who have provided gifts directly to many hospital departments and programs and therefore may not be listed. If we have inadvertently omitted your name or listed you incorrectly, please accept our apologies and let us know by calling (203) 688-YNHH (9644).

The 1826 Society
Those friends who contribute $100 or more to the Annual Appeal in support of the Medical Equipment Fund are recognized as members of The 1826 Society in the following gift clubs as noted by the appropriate symbols:

- Presidents’ Club $5,000 and up
- Founders’ Club $2,500-$4,999
- Ivy Club $1,000-$2,499
- Corporators’ Club $500-$999
- Elm City Club $100-$499
